

Graphs not displayed in Firefox running on Linux desktop

If you experience this issue, confirm that the IcedTea Java web browser plug-in is installed. If not installed, follow these steps:

```
# yum install icedtea-web.x86_64
# /usr/sbin/alternatives --install /usr/lib/mozilla/plugins/libjavaplugin.so libjavaplugin.so /usr/java/default
/jre/lib/i386/libnpp2.so 20000
# /usr/sbin/alternatives --install /usr/lib/mozilla/plugins/libjavaplugin.so /usr/java/default/jre/lib/i386
/libnpp2.so 20000
# yum install hunspell-en
```
