

Rights and Trademarks

Restricted Rights Legend

This product or document is protected by copyright and distributed under licenses (see [License Agreement](#)) restricting its use, copying, distribution, and decompilation. No part of this product or document may be reproduced in any form by any means without prior written authorization of uptime software and its licensors, if any.

Third party software is copyright and licenced from uptime software suppliers.

Documentation is provided "as is" and all express or implied conditions, representations, and warranties including any implied warranty or merchantability are disclaimed, except to the extent that such disclaimers are held to be legally invalid.
