

How to register and login to the online User Community

1. Go to the [uptime website](#) or [Support site](#) and click on the Community Forums tab at the top or go directly to the [Community Forum](#) site.
2. Note: if you have previously registered with uptime, click the [Log In](#) link on the top right. If you have not yet registered, click the [Register](#) link on the top right of the page.
3. Enter the information and follow the forms to complete the registration process.
